MEMBERSHIP AGREEMENT

The success of Cedar Lane Nursery School depends on the ability of all of its members to understand and honor their responsibilities to the school. The cooperation of each member is necessary for the proper functioning of the school.

The rules presented in this Membership Agreement are designed for the protection and health of our children as well as for the successful functioning of the school. A member is considered to be "in good standing" if they routinely fulfill the obligations specified in this Agreement. The rules may be modified from time to time by vote of the membership.

For a more complete explanation of our policies, curriculum and educational philosophy, please refer to the "Parent Handbook" posted on our website: www.clns.org.

1. **PARTICIPATION**: Foremost among a parent's responsibilities is cooperation at school. Parents are generally assigned at least two days of co-op duty per month. Parents are expected to be on time and ready to fulfill their co-opping duties. If illness or emergency prevent a co-opping parent coming to school on their assigned day, the parent must arrange with another parent to substitute on an in-kind basis; the parent will be expected to pay any cost which may be incurred by the replacement parent for a baby sitter as well as repaying the day at school to their replacement. Parents also must attend four work days each year and are required to take on an administrative job within the school (e.g., newsletter, librarian, health and safety, membership, etc.).

2. **ATTENDANCE AT MEMBERSHIP MEETINGS**: In order that we may work together as parents and teachers for the greatest benefit of our children, attendance at membership meetings by at least one parent or guardian of each child is mandatory. The President must be notified if a parent cannot attend. It is at these meetings that we coordinate our experiences, evaluate our roles as parent-teachers, take care of the business pertaining to CLNS, and (last, but not least) come to know one another better.

3. **PHYSICAL EXAMINATION**: After a child has been accepted for admission, several state- required health forms must be completed in order for a child to enroll in the school.

* The child's physician must complete a general health inventory form as well as those indicating proof of immunizations and lead screening;

* Each co-opping parent must have his or her physician complete a state health form documenting, among other things, a negative TB test within the last 12 months.

Health forms are provided by the school following the child's acceptance into the school. No child will be allowed to begin school until all health forms, for both child and parent(s), are completed and turned in.

4. **CRIMINAL BACKGROUND CHECK**:

Admission a child is accepted subject to the condition that the co-opping parent(s) successfully complete a criminal background check. A form and instructions will be provided.

5. **WITHDRAWAL AND REFUNDS**:

The first two tuition prepayments are not refundable. Other tuition paid in advance may be refunded if withdrawal is for one of the following reasons, and after a written notice to the school's Board of Directors is received at least 30 days in advance of the withdrawal of a child from CLNS. :

* Serious and prolonged illness;

* Permanent removal of the family from the area; or

* Mutual agreement between member and Board on such withdrawal, if there is unsatisfactory adjustment to the school by the child or the member-participant, and if a suitable replacement child is found without loss of tuition to the school.

6. **NON-DISCRIMINATION POLICY:**

Admission of members shall not be restricted by race, ethnicity, color, national origin, religion, gender or sexual orientation.

I have read the Cedar Lane Nursery School Membership Agreement and accept the rules as presented.
